SYNDROME  
DAY

**ALL MONTH LONG!**

**Join DSNMC on Friday, March 20 in Annapolis to celebrate World Down Syndrome Day in Maryland’s capital. The Maryland Senate, House of Delegates and Governor’s Office will be honoring people with Down syndrome with proclamations recognizing World Down Syndrome Day. The event will be followed by a lunch in the Miller Senate Building. This event is sponsored by the Arc of Maryland.**

**To register for the World DS Day event, go here: <http://www.thearcmd.org/wdsd/>**

**DSNMC believes that it is important to advocate for the rights and improved opportunities for people with Down syndrome. Therefore, we will be scheduling visits to our state legislators during the afternoon of Friday, March 20 after the World Down Syndrome Day event where we will advocate for currently pending legislation. If you are interested in meeting with Montgomery County legislators during the afternoon of March 20, we can help you set up and prepare for your appointments. Please email Heather Sachs - [heatherbsachs@gmail.com](mailto:heatherbsachs@gmail.com).**

**The day will also include a visit to Bitty & Beau’s Coffee where we can all celebrate World Down Syndrome Day together! <https://www.bittyandbeauscoffee.com/locations/>**
